**JOINT MOTION TO EXTEND THE DEADLINE TO ANSWER OR OTHERWISE
RESPOND TO PLAINTIFF’S ORIGINAL COMPLAINT**

Plaintiff Display Technologies, LLC (“Display” or “Plaintiff”) and Defendant Sirius XM Radio, Inc. (“SXM” or “Defendant”) (collectively, “the parties”), file this Joint Motion for Extension of Time to Answer or Otherwise Respond to Plaintiff’s Original Complaint and respectfully move for fifteen (15) days, up to and including March 4, 2024.

SXM was served on December 27, 2023. SXM previously applied for, and was granted, an extension of time to answer up to February 16, 2024. Display and SXM are currently engaged in discussions which would resolve this matter in its entirety, and therefore respectfully request that the Court enter an order extending the time to answer or otherwise respond in this case until March 4, 2024. The parties have conferred and counsel for Display consents to and joins this motion for extension.

The parties submit that this extension is needed to allow time for continued discussions relating to early resolution, made in good faith, for good cause, and not for dilatory purposes. Further, this motion to extend is intended to conserve judicial resources by pursuing an expedient

conclusion to this litigation, if possible. Accordingly, Display and SXM respectfully request that this Court extend the deadline for SXM to answer or otherwise respond to Plaintiff's complaint up to and including March 4, 2024.

A proposed Order reflecting the parties' request for a stay is filed herewith.

Dated: February 7, 2024

Respectfully submitted,
